**ENQUIRY FORM FOR MOULDINGS**

Our ref .....

Please complete this form and send or fax it to the above address to enable us to provide you with a price for your moulding. If the price proves to be acceptable and the moulding is to match an existing moulding, we will request that you send us a sample of the moulding so that we can manufacture it exactly.

**Name** ..... **Date** .....

**Address** .....

..... **Postcode** .....

**Phone Number** ..... **Fax Number** .....

**Email address** .....

Please note that the maximum continuous length of moulding is 3.5m, but more than one length can be supplied to make up longer lengths.

**Number and lengths required** .....  
(for example: one @ 2m, two @ 1.5m, etc.)

**Height (or width) of moulding** .....

**Overall thickness of moulding** .....

**Standard moulding reference number (if applicable – see pdf file on website)** .....

**Please draw round a straight square cut end of the moulding below as accurately as possible if it is to match, or sketch the required moulding.** (Use the reverse of this page or another sheet if necessary.)

We will send you a quotation for your moulding as soon as possible. Please do not hesitate to contact us if you are unsure about completing this form.
